Sir:

Pursuant to the provisions of 37 CFR § 1.56 and §1.97-§1.98, Applicants hereby submit patents, publications, or other information enclosed herewith and listed on the enclosed Form Substitute 1449A/PTO of which they are aware, which they believe may be material to the examination of this application and in respect of which there may be a duty to disclose.

A list of the patents and publications is set forth on the enclosed Forms Substitute 1449A/PTO. A copy of each of the items listed on the Substitute 1449 form is supplied herewith, except for the United States patent document (Cite No. A1).

These references were previously submitted to the USPTO by Applicants in an IDS filed April 29, 2005. In the Office Action mailed June 4, 2007, the Examiner stated that said IDS failed to comply with 37 CFR 1.98(a)(2), without expressly stating the reason. Applicants now resubmit this IDS, and believe this IDS is in full compliance with 37 CFR 1.98(a)(2).

While the information and references disclosed in this Information Disclosure Statement may be "material" pursuant to 37 CFR § 1.56, submission of this IDS is not intended to constitute an admission that any patent, publication, or other information referred to herein is "prior art" for this invention unless specifically designated as such.

In accordance with 37 CFR § 1.97(g), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made, or that no other material information as defined in 37 CFR § 1.56(a) exists. It is submitted that this Information Disclosure Statement complies with 37 CFR § 1.98 and MPEP § 609, and the Examiner is respectfully requested to consider the listed references.

This Information Disclosure Statement is being filed after the mailing of at least one Office Action but before the mailing of a final Office Action. Therefore, Applicants are enclosing the fee of \$180.00 set forth in 37 CFR §1.17(p). The Commissioner is hereby authorized to credit overpayments and to charge any deficiency in any required fee to the Deposit Account No. 19-3140. This sheet is being enclosed in duplicate.

Respectfully submitted,
